Q.4873-6 d. 19-2-8,
Q.353 of 06/2
has there been any modification about the application of art. 538? If not, is the Councillor to charge only 5 Rs as daily batta & 4 As as mileage? What about rates in Mysore?

It is understood that there is no such modification as is referred to above but it is ascertained from the comptroller's office that ~~under average conditions~~, full daily allowance is admitted for ~~odd~~ halts made by Councillors; ~~only~~ 4 annas is being allowed as mileage. ~~for their marches~~

4 I think that the rule is inadequate. If a Councillor halts, he gets 10 Rs.; but if he travels 22 miles, he gets only 5 Rs. 8 As.

5 I would suggest that if the application of Art. 538, to us cannot be removed, we may be allowed to draw only the daily allce in full every day of the tour, and that mileage need not at all be granted. Personally I think 4 As a mile is too low whether carriage is provided or not.

6 If the 1st Councillor Concurs, this may be sent up to the Dewan.

3 The file placed below does not Contain the orders of His Highness on which G.O. of 19-2-08 is based. The papers Containing HH's orders seem to have been kept Confidentially and the Council Section may be asked to submit them to the Second Counsellor

7 I had seen all these papers when making the suggestion.

8 I think that the reason on which the exemption from the operation of S. 538 should be properly rested is

has not been brought out in the discussion in the File. The Councillors are provided with Carriage at Govt. expense even in Head Quarters, and that shows that providing them with Carriages ~~while~~ while travelling is an extension of the same privilege. I think that 4 As a mile will not Cover their actual expenses in any case & so I would respectfully suggest reconsideration of the matter. If that would not commend itself to His Highness, I would as an alternative suggest that no mileage need be allowed for any journey but only daily allce. If the 1st Councillor agrees, the note may be submitted to the Diwan.

It has been ruled by His Highness that Councillors cannot be exempted from the operation of art 538 M.S.R. If this question cannot be reopened with the special permission of H.H. the Maharaja, I have no objection to the abolition of mileage ~~in the case~~ and the substitution of a uniform daily allowance of Rs 10- for days of road march (whether under or over 20 miles) as well as for halts on tour.

If the Dewan Councillor agrees this question may be dropped. The practice at present is practically what I suggest.
